Application Review Process

- There are two Scholarship Applications.
- 1. The Initial Scholarship Application is to be used for the first time you apply each year .
 - 2. The Renewal Scholarship Application is to be used for the second semester.

The St. Mark UMC Scholarship Committee reviews applications. Committee members are nominated by the St. Mark Committee on Lay Leadership and elected by the church membership at its annual Charge Conference. If the Scholarship Committee has any questions or information is missing from the application, they will attempt to notify the applicant by phone or email.

Awards

Scholarship checks will be handed out during the 10:45 am Sunday worship service. If the applicant or family member is not on hand to receive the check, it will be mailed to the address on the application.

If scholarship funds will not be awarded to an applicant for any reason, the Scholarship Committee will notify the applicant promptly with an explanation.

The dollar amount of the awards is determined by the interest income available from the scholarship funds and the number of applicants. Scholarship funds will be awarded first to full-time undergraduate students.

Awards (Cont.)

If additional funds are available, scholarships will be granted next to part-time undergraduate students and then graduate students. Part-time students will receive a lesser award. To assist as many young people as possible, the Scholarship Committee reserves the right to limit scholarships to any one applicant to a maximum of 8 semesters.

The Scholarship committee reserves the right to reduce the amount or to deny an award if the student is placed on scholastic probation, or did not complete the number of hours indicated on the application of the previous semester.

Questions

The Scholarship Committee welcomes your questions about the application or the process. Questions may be directed to the chair of the committee, Joann Barrera, at the church office (956-682-1481), or via email: stmark.umc.mcallen@gmail.com

Scholarship committee members:
Joann Barrera, Dan Schlaefer, Joe Hayle, Ann Brant, Leann Chandler, Vivian Chandler, Fae Trimble, Sam Ocañas and Sonja Preston also welcome your questions.

St Mark UMC Scholarship Fund

St. Mark members have donated funds to the St. Mark UMC General Scholarship Fund.

The interest earnings have also aided St. Mark youth in their efforts to continue their education. This fund uses the same application as the Reeves scholarship; however, the St. Mark Scholarship Committee retains the option of using this fund in special cases where an applicant is unable to satisfy all of the eligibility requirements of the Reeves scholarship.

St Mark believes in the need for active participation in a Christian community as well as living an ethical and moral life while walking closely with our God. We also believe that an important part of honoring God is to take care of one's self physically, emotionally, and spiritually, and that it is harmful to use any illegal drugs.
